MUSEUM DIRECTORS

... have me baffled, frustrated and angry.

They, for a reason, known only to them, have taken a stubborn attitude and refused to keep the Museum open all day every day during the summer months. And they have taken this attitude despite the pleadings from the Chamber of Commerce that much state-wide publicity has been given and will be given to Hondo on the promise the Museum would remain open daily through Labor Day.

In January of this year, I personally appeared before the Museum Board as President of the Hondo Chamber of Commerce and explained that if the Museum could remain open every day during the summer, we at the Chamber felt that we could get Hondo placed on the Hill Country Trail and in the TEXAS tourist book published by the Texas Highway Department.

At that time, I read them a letter, approved by the Chamber Board, addressed to Frank Hildebrand, executive director of the Texas Tourist Development Agency. It described the Museum as a bona-fide tourist attraction.

I recommended to the Museum Board that they hire a student to keep the doors open so that people passing through Hondo could view our fine Museum. My suggestion met with no disagreement and I was assured the Museum could be opened during the summer.

So we [the Chamber] went to work and wrote and talked and had other people talk [Bill Berger for one] to Hildebrand and Richard Pierce of the Highway Tourist Division and gave them our assurance the Museum would remain open from 9 to 5 every day through Labor Day--except Sunday's 1-5--Hildebrand has assured us he feels we will qualify for the next printing of the Hill Country Trail and Pierce--or his department--has already published this in their book solely on the assurance on the Museum being open.

Goes back on Word

So what happens? The Museum Board reneges on its promise.

Last month the directors met and voted to keep the Museum open from 1-5 only and they didn't want to "put out" the money for a student. They would use volunteer help.

Now I have nothing against volunteer help. It's terrific if you can get someone to fill the time eight hours a day for 14 weeks. But I felt there should be a person there on a permanent basis for continuity as well as dependability. The only way to assure this is to pay someone.

So I took my case to John Wentz and Frank Graff in a meeting held at John's house on a Sunday night. John and I finally convinced Frank how important this could be to Hondo and this area. We told him: "We have finally gained the ears of someone who can help us at least be on the map where tourists are concerned. If we go back on our word now, it will be a freezing day in August before they take time to listen to anything about Hondo in the future."

Frank agreed at that time.

So the move was made to hire a student for the task of keeping the Museum available to the traveling public, at a cost that could not exceed \$700 during the entire summer.

Then comes the meeting last Monday night of the directors and provincial thinking again took the reins and I'll be danged if they didn't vote again to limit the hours from 1-5 daily. And this despite all the pleas made before and after the first decision.

What frustrates me is: I can't understand why.

It can't be the money. The Museum has \$8,171.86 [as of May 31] in the bank and the total outlay for the summer as I pointed out before would not exceed \$700. And to help cut this figure is the donation container which rests at the Museum. There is no reason to believe it won't bring in at least \$300 through the summer.

It can't be the lack of recognition of the need to show the Museum. After all, that was what it was created for back in 1970. At those early meetings the entire talk was to create a Museum to which the area could point with pride and say to tourists and townsfolk alike, "Stop by and see the pioneer spirit that made Medina County what it is today."

Everyone has a Share

Certainly, the directors can't feel that their work and interest have been so great that it gives them the right to override the good of the Museum and the town for some reason all their own. Yes, they have done outstanding work over the past years. But heaven knows almost anyone in town can claim the same right--many people have helped earn the money that has brought the Museum to its present stage of development--many people have worked and spent money at the four Museum Days--several people worked in the membership drive--many of them have bought antiques--EVERYONE in the county has a stake in the \$2,000 given the Museum by the Commissioners Court--EVERY CITIZEN in Hondo has a stake in the contributions in work and other areas made by the City of Hondo every since its inception.

Then why?

That is the question I am asking the board through this column. And I would like for any or all of them to question my right to ask. Because I would like to quote the number of dollars, the number of hours, and the combined efforts given the Museum during the past three years by the Anvil Herald and members of its staff. I'll lay that total effort in money, time and energy beside that of any person or business in town and feel confident that it will come out on top.

Sure, I sound conceited. But that really isn't the case. We at the Anvil Herald were happy to give of our time and money to build an institution which will benefit the town as a whole. I, per-

Cont'd On Page 2

Dennis Smith hired at school

Dennis Smith, a recent graduate of Texas A & I University, has been employed as Assistant Band Director for the Hondo Schools.

Smith has been a member of the A & I band for four years, Band President, President of Kappa Kappa Psi (Honorary Band Fraternity), and Outstanding Band Student. He has also served as a Water Safety Instructor at the Texas Lions Camp in Kerrville for five summers.

He will be assisting Band Director Billy Harrell in a Band and Music Program that will enroll approximately 475 students next fall making it one of the largest Class AA Band Programs in the State of Texas.

He will be married this summer to Miss Mary Ann Klassen of Kingsville a Music Graduate of Texas A & I who will be teaching Elementary Grades in Hondo next Fall.

READY FOR THE WURST . . . Hondo Volunteer Firemen will feed the people they protect with a big Sausage Supper on Saturday June 9 out at the City Park. Holding up a sample of the main attraction are Richard Finger, Elmo Pope, and Lupe Alvarez. Not available was Sausage Supper Chairman Hilmer Mueller. Serving begins at 6 p.m. and all plates this year will sell for \$1.75.

School financing hassle raised again

The possibility of Governor Dolph Briscoe calling a special session of the Texas Legislature this year to pass a school financing bill is very slight, according to Rep. John Poerner of Hondo.

"The Governor has told the Legislature twice, both times in writing, that he would not call a special session for this purpose," Rep. Poerner told the Anvil Herald Monday. "And he feels he is following the right course in refusing to do so."

Speaker Price Daniel Jr. and Rep. Dan Kubiak of Rockdale have joined the chorus of demands from House members for a special session. It was reported this week by the Texas Press Association.

Daniel and Kubiak, who is chairman of the House Education Committee, have called on that committee to "prepare, polish and refine" a school finance bill "for legislative action no later than September 15, just in case the Governor might call one," as Daniel words it.

But Governor Briscoe holds the key to whether or not there is going to be a special session on anything, and he has made clear that he doesn't plan to call one.

Briscoe has set in motion new studies to develop information for specific legislative proposals in 1975 to equalize educational finances and opportunities. A special session at this time would be "premature", said the Governor, since necessary data cannot be assembled for another two years.

"It has been said," Rep. Poerner told the Anvil Herald Monday, "that this subject 'has been studied to death' already. But what they don't tell the public is that we did not have facts on what is being taxed and what is not being taxed as far as school districts in this state are concerned. And they certainly aren't using the same base throughout the state."

"For instance: In Corpus Christi less than one-tenth of one percent of bank deposits, certainly a measure of the wealth of the district, are not on the tax roll. Also no where in the State of Texas, even at the Texas Education Agency, can anyone tell you what the salary of every school superintendent is."

"In other words, no one actually knows what all the money being spent under the name of education goes for."

Representative Poerner continued: "And these are some of the facts the Governor wants to see brought out in a comprehensive study on education financing. We

did not have the facts on taxes this session and we won't have until the Property Tax Committee completes its study of the entire state. It is now about one-third complete."

The Hondo Representative, who also is a member of the House Education Committee, said that Daniel and Kubiak have announced a meeting of the Committee for June 18. "But they have not even asked Committee members if they have other commitments or what," he said.

Briscoe feels proposals before the Legislature this year would "have only added to the present system of programs and budget with no review of current spending or effectiveness." He said he hopes the new study can produce an "educational approach that we can afford (without new taxes), as well as one that will meet the needs of the future."

And Poerner said in conclusion: "The Governor is on the right track and is making a sincere effort to propose a solution to this problem that will be fair to both the students in the state and the taxpayers who foot the ever increasing education bill."

Scout fund drive nears completion

The Sustaining Membership Drive for Hondo Boy Scouts is just about wrapped up for this year, according to chairman Tony Mendoza.

"As it stands now, we lack less than \$100.00 to meet the needs of the Council to provide good program and service to the two Troops and the Pack in Hondo," Mendoza said.

The chairman, also said "there are a few workers who have not returned their cards, and a few people who he is sure would like to help the Community and the Council in meeting the Sustaining Membership Drive Goal. "In the eyes of many in the community, it is only the Scoutmaster or the Cubmaster that is concerned about

State moves on US Hwy 90

AUSTIN -- The Texas Highway Commission today approved improvements for U.S. Highway 90 Medina County as the first section of development for a long range plan to four-lane the facility across the county.

The Department was directed to purchase right of way between the Bexar County line and the City of Castroville, a distance of about 3.8 miles, so that in the future this section can be expanded to four lanes. State cost of the right of way is an estimated \$167 thousand, which includes right of way, utilities, relocation and other incidental costs.

Long range plans call for upgrading the existing US 90 to four lanes from the Bexar County line through Castroville, Hondo, D'Hanis, Sabinal, Knippa, Uvalde and then westward to Del Rio.

The Medina County Commissioners Court has pledged cooperation in the development of US 90 in the county.

Fuel pinch hits area

"If you're planning a summer vacation of any length, go on or about the first of the month, and maybe you should also take a couple of 5-gallon gas tanks and a funnel."

And, if the summer months are hot and dry, so also might be the fuel tanks of area farmer-ranchers. But it's not likely. At least, not probable. Maybe.

These were the two main points gathered in an informal survey taken this week by the Anvil Herald, of gasoline and diesel distributors and retailers in Hondo.

Gasoline is no major problem. Curtailments in supply have led to no local closing of stations, and only a few have had to adjust their hours of business. Supplies are expected to be adequate, with a general price rise of only a few cents per gallon.

But diesel, which runs many tractors and irrigation pumps throughout the county, is in short supply. The only salvation for farmers seems to lie in a wet summer and a new special edict from the Government, which gives top fuel priority to agricultural users.

Here are some responses gathered, first from distributors, then from service station operators.

Les Schumann (Texaco): "We are curtailed to about 90% of last year's gas and diesel sales. Anything over last year's total just can't be sold. We don't look for any problems in selling gas, except

maybe a small price rise, but diesel is another story. We'll sell until our quota runs out, then we'll have to wait until the next month."

George Gooding (ARCO, Inc.): "This may be the month of the Big Freeze. I've been getting surplus diesel from independent refineries, but this month it doesn't look as if they will have any extra to sell. And with all the extra pumps and diesel tractors, I don't see how this month's allotment can reach until the first of July. It all depends on the weather. If it rains enough, we may get by with less irrigation. I'm doing my best to serve my customers, but I can't take any new accounts. One suggestion is for any customer to write the congressmen and senators about this problem."

Olen Wiemers (Gulf): "Our monthly allocation is based on the year from October 1971 until September 1972. Agricultural users will get as much as they used during that time, in accordance with a letter from the Federal Government received on May 25. If anyone runs short, he can apply for extra diesel or gas to our Houston office. The government has given farmers top priority in allocation of fuels, so they shouldn't run short. Gasoline is in adequate supply, although it is allotted also. We've had no stations closing down, but one or two have cut their hours somewhat."

George Brucks (Mobil): Brucks reports a monthly allotment of fuels, but no cutoffs as yet due to shortages.

Hilmer Mueller (retail Exxon dealer): "We've been on allotment since June 1. The only real problem may be the people will have to burn ethyl rather than regular gas. Regular gas is used so widely now that if we do run short, it'll probably be regular. We can't raise prices anytime soon, probably not before January. If we should run short, we'll serve our home town customers before we take care of tourists. I think most people are making their vacation plans a little shorter this year than in the past. Anyway, our sales are about the same as they were last year at this time."

Tony Alvarez (Phillips 66 retailer): "We haven't had any cutbacks yet, and no notice to raise prices. We can't bid on any big contracts anymore, but we get all the gas we need. Prices may rise up in the next few weeks, but nobody knows how much or when."

Pioneer Oil Co. (independent self-serve in Hondo): "We still get two trucks a week from Fort Worth, with no limitations. So far we've had no orders to raise prices, either."

Frank Cruz (Shamrock retailer): "We've got no problems here. We sell as much as we can, and prices are about the same as last year."

WORKERS . . . in the recent Boy Scout Fund drive were awarded certificates recently at a meeting of the Hondo Lions Club. Honored were, left to right: John Kalinoski, Chairman Tony Mendoza, W. T. Crow, Frank Delony, Boy Scout Executive Mike Everett, Jack Winkler and Alvin Lange. Everett presented the awards.

Chamber Corner

By Lillian Porter
Executive Secretary

"Dear Mrs. Porter:
Although tired, Libby and I are back in Enid, Oklahoma in fine shape.

Many thanks for your kind interest and aid. I talked with Mrs. Haralson and she does take care of children, which is one of my major needs. I gave her a deposit and looked no further.

Again, many thanks, and I'm looking forward to seeing you again and telling you in person. M. A. McGhee (my friends call me "Pat")

Isn't that a nice letter! We always enjoy hearing from people we have been able to help. For instance this letter from someone who is seeking help.

"Dear Mrs. Porter:
We are planning on coming to Hondo to live in August and your name was given to us by Bruce Baize at Del Rio Flying Service as the person most able to assist us in our move.

The following items are of interest to us. We would appreciate any information or help you can give us:

- (1) Address of nearest Order of Rainbow Girls, and if possible the name of the Mother Advisor;
- (2) The name, address and subscription rate for the best newspaper for Hondo;
- (3) information about

climate, population, schools and medical facilities; (4) requirements for our drivers and vehicle licenses; (5) We have need for a 2-bedroom house with air-conditioning and furnished. We could use an apartment if houses aren't available. This residence will need to be in a good school district for our 13-year old daughter. This is our only child remaining at home. The others are grown.

Mr. Baize indicated that you were quite helpful to his employees in their location. Mr. Atkinson will be at Del Rio Flying Service in Del Rio until August 8 and will be transferred to Hondo at that time.

Thank you for whatever assistance you may be able to give us.

Mrs. Cheri Atkinson
Box 95
Sumner, Washington.

P.S. Please note I am in Washington and will be until July 1.

And another writer says:

"Dear Friend:
I would like to have information on the town of Hondo and the County of Medina. Please send me a copy of your newspaper. I am looking for a place to retire. Sincerely yours, Leo J. Berns, Box 74, Guttenberg, Iowa."

Mrs. Jerry (Patricia) House from Mississippi came into the Chamber office to introduce herself and get some Hondo information. She, her husband and two boys, ages

Linda Owens winner of scholarship

Linda Owens, daughter of Mr. and Mrs. Bernard B. Owens of 2602 Ave. E, has accepted an invitation to study physics and mathematics in Tennessee, in a special summer study program sponsored by the National Science Foundation.

Linda was one of only twenty students to be accepted, from the entire United States, for the program to be held at Christian Brothers College in Memphis, Tennessee.

The program consists of one week's familiarization study with the IBM 1130 Computer, and seven weeks of research on a physics project with Dr. Lyle D. Wescott, PhD.

Dr. Wescott is chairman of the science study projects, and Linda was invited to do research in his laboratory on his project.

Each of the twenty high school students will be assigned to doctorate-holding scientist on a one student-one professor basis.

Duration of the project will be from June 18 until August 10. The program stresses independent study on the student's part.

Linda was chosen on the basis of grades at Hondo High School, plus her performance on the SAT (Scholastic Aptitude Test) College entrance examination. Additionally, she was aided by high recommendations from High School faculty and administrators, including Physics teacher Mrs. Rita Vance.

In the fall, Linda plans to attend Howard Payne College, where she has earned a scholarship in music, plus a cash grant of \$600. She will major in mathematics, minoring in physics.

Linda Owens

More about . . .

SPARKS

sonally, am proud to have been involved in creating the Museum and being able to contribute to its growth not only through the newspaper, but through personal contributions of time and a good deal of money. [I'll match my Life Membership plus annual membership for four persons with any director]

That is why I get upset. We have all worked so hard to build the Museum and right now at a time when we can begin to utilize it for the public, the board insists on such a provincial attitude regardless of the consequences it might have on future relations between Hondo and the people who direct the tourist publicity in our state.

Meeting not Legal

The second question I want to ask President Graff is: Why was the annual meeting place changed after it was officially announced in a public notice required by the law under which the Museum is chartered?

In the public notice published May 24 in the Anvil Herald the public was notified of an annual membership meeting to be held at 7:30 p.m. June 4 in the Museum building. This notice was agreed on between John Wentz and Frank Graff at the Sunday night meeting at Wentz's home. And at that time Wentz told Graff he would be on vacation but could get him a key to Medina Electric where they usually meet, but Graff said, "No, we'll meet at the museum."

To be fair to the board members who were not present let's list those who were: Frank Graff, Rudy Tapia, Cappy Heyen, Mrs. Ella Oefinger, Mrs. Sally Brucks, Mrs. Oswald Sauer, Mrs. Irene Marshall, Tony Mendoza and Colvern Huegele. Not present were Doug Bohmfalk, John Wentz, and Harlan Wolff.

Mrs. Brucks tells me that John Wentz [who is on vacation] and I let Frank down by not being present to help him with the problem. Not, mind you, that the idea of remaining open is a good one or even had merit to discuss, but that we were not present to help Frank defend a position that he had already agreed would be beneficial to the town and area as a whole.

I am told that director Harlan Wolff went by the Museum around 7:30 or 7:35 p.m. to attend the meeting, but found it dark and not knowing the meeting place had been changed went on home. And the only way Tony Mendoza happened to be present was because he hitched a ride with Sis Graff.

I would like to say that I do not relish airing all this dirty laundry. But I do feel that too many people [including all of the directors] have contributed too much time, money and effort toward the building of this Museum to allow a few people to take the bull by the horns and jeopardize the potential this Museum holds for attracting tourists to stop in our area.

I would hope that the directors will reconsider and go ahead as planned on keeping the Museum available to the public from 9-5 daily except Sunday and then 1-5 as we have promised the people of Texas it will be.

And to anyone, interested citizen, Museum director, or irate reader, who wants to answer this emotional tirade on how I feel about our Museum, I offer this newspaper to vent their feelings.

need to know better ways of getting oil from sands or shale and from off-shore fields, or improved use of coal. But we also need to examine the possibilities of solar energy, of geothermal sources deep within the earth, of safe nuclear breeders and fusion.

Pollution Is Threat

We must also realize that our great consumption of energy does more than use up the supplies available to us. It also creates thermal and material pollution that threatens the planet itself. I see increasing evidence that the producers of power recognize the pollution dangers, and I continue to believe that balance must be achieved. In other words, we must determine what balance we must achieve between pollution and production.

Shortages of gasoline and fuel oil are, as I have said, immediate problems. Demand is basically out-running supply. We need to find ways to accelerate supply and processing, but I believe we shall have to face restraints on consumption until we can catch up with the demand. Long-range planning is necessary so that present problems do not multiply.

Defensive Driving starts June 11

A three-day Defensive Driving course will begin at 7 p.m. Monday, June 11, at the Hondo High School. Persons completing the course successfully after paying a \$10 tuition, will be entitled to a 10% reduction in bodily injury, property damage, medical and collision insurance premiums for a three-year period.

Johnson joins Hondo team

Gary Aircraft Corporation has announced that B. F. (Fred) Johnson has joined the Gary Team at Hondo.

Johnson attended Trinity University after serving three years in the U.S. Navy, then accepted a position with the San Antonio City Public Service Board. He became Manager of the Hondo City Electric System in May of 1970, and assumed the responsibilities as Gary's Hondo Facility Maintenance Manager on the first of June.

Fred and his wife, Mary, have been residents of Hondo for three years.

Lions elect officers

The Hondo Lions Club installed new officers for the coming year at special ceremonies held Tuesday evening. The new slate of officers is headed by Sgt. Bill Green, who becomes president of the Hondo Lions Club.

Tom Holmig was named first vice-president and Billy Harrell was installed as second vice-president.

Wylie Watson was again named treasurer of the club and George Alexander named tumbler. The new lion tumbler is John Kalinowski.

Kenneth Flory remains program chairman and J. D. Schmidt becomes a new director of the club.

Outgoing club president George Brucks told the gathering that the club used nearly 14-hundred-dollars of its money for worthy projects during the past year. Brucks urged the club to enlist more new members and become even more active. New president, William Green, told the club members he would have a plan of action ready within the month.

I'm Here

Mr. and Mrs. Jack F. Boyer, New Braunfels, announce the birth of a son, Sean Lewis at 12:10 p.m., Monday, May 21, in McKenna Memorial Hospital, New Braunfels. He weighed 8-pounds, 2 1/2-ounces.

He's welcomed by his brother, Shane, and maternal grandparents Mr. and Mrs. Lewis R. Boehle and Paternal grandmother, Mrs. Thelma Boyer of San Antonio. Great-grandparents are Mrs. George Boehle, Mrs. C. W. Walters, Medina, and Mr. and Mrs. Lloyd Ross of Dallas.

The course is being sponsored by the Hondo Home Demonstration Club and the Texas Agricultural Extension Service on July 11, 12, and 13.

Defensive Driving is built around the idea of "giving a little"—tailoring one's driving behavior to the unexpected actions of other drivers and pedestrians and ever-changing factors of light, weather, road and traffic conditions and the mechanical condition of the vehicle.

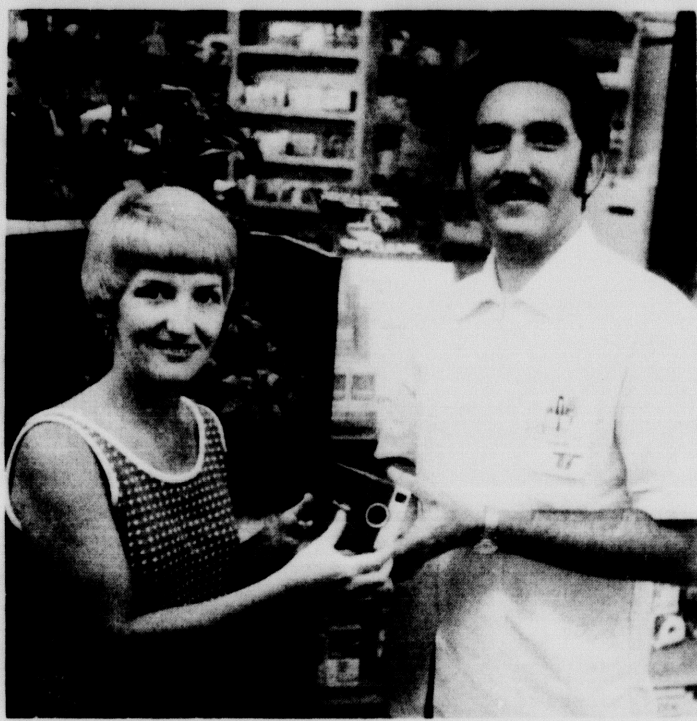

In addition, students will learn what to do in an emergency, for example, if their brakes fail; or if an oncoming car swerves into their lane; or if their automobile goes into a skid, among others.

Last year, more than 55,000 Americans lost their lives in traffic accidents and an additional two million suffered disabling injuries.

By practicing the art of Defensive Driving, one can become involved in the crusade to stop this increasing rate of accidents and injury.

The course will consist of eight hours of training, spread over three consecutive nights. The fee will be payable at the start of the first meeting Monday night. Course instructor will be Richard Adams, Hondo High School Driver Education teacher.

If you are interested in taking the course, please call Gaye Bippert, County Extension Office, at 426-2233 or Richard Adams at 426-3165.

PRIZE WINNER . . . at Peden Rexall's 7th Anniversary Sale was Mrs. Clayton [Sue] Woolls [left]. The grand prize which Owner-pharmacist Bob Peden presents to her here is a new Kodak movie camera. Other prize winners in the daily drawings were Mrs. Pete Garza Jr., who won a clock radio; Mrs. J. B. Evans, a High Intensity lamp; Preston Moebius, a Year's supply of vitamins; and Simon Garcia, who won the Child's prize of a Micky Mouse Transistor Radio.

Grand jury returns indictments

The Grand Jury ended its spring session late Tuesday and returned a total of 26 indictments.

The indictments ranged from bad checks to gambling, to murder. The jury met for two days in returning the 26 true bills, reports District Clerk Francis Bohl.

A summary of indictments includes: Burglary, 6; Robbery by use of firearms, 1; possession of marijuana, 3; assault with

attempt to murder, 1; keeping gaming table, 1; robbery, 3; theft, 4; permit premises to be used for gaming, 1; malicious destruction of private property, 1; murder with malice, 2; burglary of motor vehicle, 1; defrauding with worthless check, 2.

On June 18 about 200 potential jurors will be summoned to the Court-house for petit jury duty.

Homemakers honor senior girls

On Monday, May 21, the Hondo Young Homemakers assisted Mrs. Robert Faseler as hostesses for a party honoring the senior girls of the 1973 graduating class and women members of the high school faculty.

A highlight of the afternoon was the presentation of the Little Sister Scholarship Award to Miss Susan Rogers.

Following active party games, the guests and members were served refreshments of punch floats, assorted cookies, and mints on the Faseler's back lawn.

At their recent meeting,

Young Homemakers heard an interesting program from Mrs. Lenore Coble, R. N. She talked about the possible relationship of mumps and hearing loss in young children who have not received mumps vaccine.

Members of the group are completing plans for another story Hour project beginning June 13, and continuing through July 25, with July 4 holiday observance. Children of ages 4-5 and 6-7 are invited to attend these Wednesday afternoon sessions from 2:30 to 3:30 in the Hondo Public Library.

Stories, records, and games will be included for both age groups.

For the June 19 meeting, members should attend to make plans for the Family Afternoon of Fun this month.

FB members plan part in event

Medina County will have a role in the dedication of the Texas Farm Bureau's new \$2.7 million headquarters building in Waco June 13.

A sample of Medina County soil will be mixed with soil brought in from the other 209 counties that have organized county Farm Bureaus. The collection of earth will be placed around a pecan tree that is to be planted on the grounds of the building at 7420 Fish Pond Road.

R. A. Rodgers of Dunlay, president of the local county FB, will take the local soil to Waco. He will attend a conference of county presidents being held in Waco in connection with "Farm Bureau Week" in Texas.

A time capsule that will be buried in front of the new TFB structure will contain the names of the more than 140,000 member families of the Texas Farm Bureau as well as the signatures of officers and directors of the TFB and all of the county presidents in attendance. It will also include other historic items.

Governor Dolph Briscoe will be dedication speaker. Others on the program include Waco Congressman R. R. (Bob) Poage, chairman of the U. S. House agriculture

Committee; and Texas Agriculture Commissioner John C. White.

Secretary of Agriculture Earl Butz will address the dinner audience that evening in the Waco Convention Center.

The dedication, open house and barbecue on June 13 are feature events of the week of June 10-16 which has been designated by Governor Briscoe as "Farm Bureau Week" in Texas.

A county presidents' conference will be held June 12-13 in Waco,

while service agents will have an awards banquet on the evening of June 12. On June 14, servicing agents for the TFB's group purchase program will tour the General Tire plant in Waco and hold a business meeting.

The TFB has been in Waco since 1938 when the Waco Chamber of Commerce lured the fledgling farm organization from Brownwood with the offer of free office space over the Chamber's office in Waco.

FFA OFFICERS ATTEND WORKSHOP . . . FFA Officers attending a workshop in Utopia are L-R: Gary Saathoff, Mike Nester, Gene McAnelly, Louis Schmidt, Tim Hardt, Larry McWilliams, Pat Stein, and Bobby Tschirhart.

COOL EFFICIENTLY THIS SUMMER

If you're thinking about building central air conditioning into your new home, take care with installation and operation.

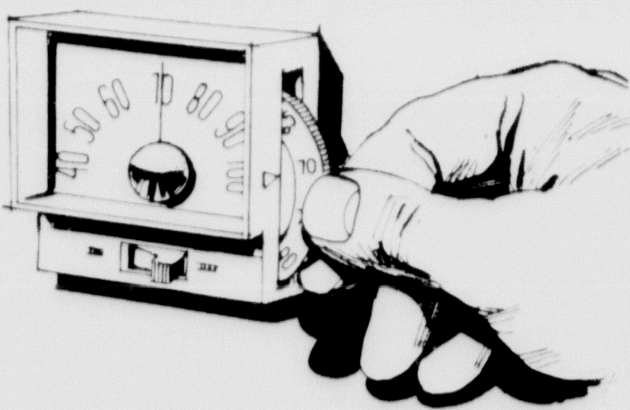

- **INSULATION.** The proper amount is a must for efficient cooling. Have a professional advise you.
- **SIZE.** Big enough to do the job, but not so big as to waste electricity.
- **FILTERS.** Have them checked periodically. Clogged filters cut down on efficiency.

DUCTS. Make sure you provide for even air flow through your entire home so everyone can enjoy the comfort of clean electric central air conditioning.

Electricity is too important to waste. Contact your Rural Electric system for money saving, electric efficiency hints.

The electric way is clean.

Molly Finger honored at Shower-Tea

Miss Molly Finger, bride-elect of Steve Turner, was honored on May 20 with a shower-tea in the home of Mrs. Raymond Finger.

Joining her in receiving guests were Mrs. Raymond Finger, aunt, Mrs. Thomas Finger, mother of the bride-elect, Mrs. Dwan Finger, mother of the groom-elect, and Mrs. C. S. Hickman, grandmother of the groom-elect. All wore corsages of various colors of carnations.

Registering the guests were Sally Finger and Mitzi Turner sisters of the future bride and groom.

Approximately 110 guests were registered.

The serving table was beautifully laid with an ecru lace tablecloth over a pale green underlay.

The centerpiece was of white daisies intermingled with pink and blue carnations. On each side were white candles in crystal candleholders.

Refreshments consisted of pink punch, nuts, mints, and a three tiered white cake decorated with spring flowers and were served by Karen Burrell, Jane Rothe, Gail Rothe, and Mrs. Greg Rothe.

Hostesses were: Mrs.

Raymond Finger, Mrs. Irene Rath, Mrs. Frank Rucker, Mrs. Carol Long, Mrs. Richard Finger, Mrs. Gil Sowa, Mrs. Bobbie Christopher, Mrs. Fay McGraw, Mrs. Lawrence Carle, Mrs. Everett Vincent, Mrs. Lawrence Rothe, and Mrs. John Henry Graff.

Also, Mrs. Lloyd Hermes, Mrs. Kathleen Finger, Mrs. Billy Rothe, Mrs. Edward Zerr, Mrs. Bill Neher, Mrs. Jim Ruby, Mrs. Bill Laughinghouse, Mrs. Stanley Kidd, Mrs. Chester Saathoff, Mrs. Bernice Finger, Mrs. David Lutz, Mrs. Melvin Finger, Mrs. Howard Rothe, Mrs. Lawrence Weynand, Mrs. Robert Zuberbuehler, Mrs. Jerome Finger, Mrs. Herman Fohn, and Mrs. Stella Ney.

Also, Mrs. Alma Zerr, Mrs. Bernadette Wauson, Mrs. C. T. Woods, Mrs. Otis Burrell, Mrs. Kenneth Bende, Mrs. Ferd L. Rothe, Mrs. Frank Sexton, Mrs. Calvin Bende, Mrs. Dennis Herrmann, Mrs. John Tondre, Mrs. Sandra McGeehee, Mrs. Paul Pothemus, Mrs. Dean Dodgen, Miss Connie Koch, Miss Karen Burrell, Miss Bette Zinsmeyer, Miss Kay Huser, and Miss Debbie Cheney.

Gifts from the hostesses were a stainless steel mix-master and the serving pieces to her stainless flatware.

Personal Shower

A personal shower for Molly Finger, bride-elect of Steve Turner, was held the home of Mrs. Herman Fohn on May 5. Hostesses were Mrs. Tommy Wilson, Mrs. Tom Attaway, Miss Ellen Rothe, and Miss Marty Rothe.

After a brunch was served for the twenty guests, rice bags were made for the forth coming wedding.

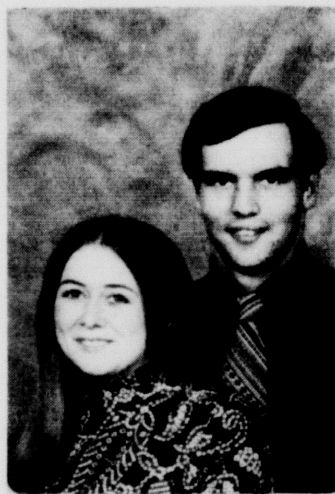

Mary Ann Kassen

Engagement announced

Mr. and Mrs. Irvin E. Klassen of Kingsville announce the engagement of their daughter, Mary Ann, to Dennis Morris Smith, son of Mr. and Mrs. Goldwin Smith of Blanco.

The bride-elect is a graduate of H. M. King High School and Texas A&I University. The prospective bridegroom is a graduate of Blanco High School and Texas A&I University. The couple will be teaching in the Hondo schools next year.

The wedding is planned for July 14th in the First United Methodist Church in Kingsville.

Katie Keilman and Ted Shults

Engagement announced

Mr. and Mrs. Victor R. Keilman of Devine announce the coming marriage of their daughter, Katie, to Ted Shults, son of Mr. and Mrs. Harvey M. Shults, also of Devine.

Both are 1971 graduates of Devine High School. They plan to attend Southwest Texas State University in the fall.

The wedding date has been set for August 4 at St. Joseph's Catholic Church in Devine.

This week

All she wrote

by Edna McDade

Worthy of equal billing with Lowell's often quoted "And what is so rare as a day in June? Then, if ever, come perfect days..." is this: "Spring being a tough act to follow, God created June."

The above quotation is credited to Al Berstein, although I do not know who he is or was.

Let me add my personal "Praise be!" to the news that Parker Creek Dam is now on the way to realization. My first introduction to the EUW District interest in and concern for the welfare of Medina County landowners began some years ago when BRADLEY BAILEY took me to visit the EUWD offices in SA. There I met Col. McDONALD D. WEINERT who explained the "inner workings" of the system which is so vital to the water needs of certain sections of our big state. Based on his help, I managed to assemble a lot of verbiage in behalf of "The Parker" and related projects.

VERNON GRUNEWALD's story [AH 5/24] really "covers the waterfront" [not to be confused with The Watergate] making it worthy of space in the county's archives, with special emphasis on his notation that "The 3rd of May, 1973", is indeed "a date that shall long be remembered!"

The suggestion of a Rose Garden for Hondo, as offered by Mrs. PAUL REILLY, merits serious consideration. This is a project in which almost every civic-minded Hondoan could share. I can visualize special plots sponsored and maintained by the various organizations, youth-to-adults, in a spirit of mutual determination to make an attention-getting success of the challenge.

Rose gardens are what help to keep Tyler [Tx] and Tulsa [Okla] on the map, of course, Tulsa does get a little help from oil!

If "What's for dinner?" is among your housewifely problems, here are a few menu suggestions featured in a recent "gustatory expedition" of the Explorer's Club in NY: peppered lion sausage, pickled hippo, Puerto Rican cave roaches, hump of buffalo with fiddlehead ferns.

Check your local food stores for the required ingredients. If unavailable, how's about peanut butter and jelly sandwiches?

Something tells me that, when the Army-Navy annual football rivalry makes the sports headlines in the next four years, it is safe to predict Mrs. JOHN [Aunt Faye] WALKER will be pulling for Army. Her handsome nephew, JEROME F. ZAZERRA, will enter West Point next month.

Half-century note:

A CC report says that on May 17th, 290 head of cattle and 186 horses were treated here for fever ticks. This is an introductory statement to the following item which appeared in the News & Personals column in the ANVIL HERALD 8-17-1922:

"Controversy waged over the salary of \$65 paid a bookkeeper for tick eradication work. E. J. Murray, supervisor-inspector reported that when the program began in April, the county had 60% ticky cattle but the count had dropped to 7% by July. Said Murray, "So the people of Medina County who are not satisfied with our tick work and compare the expense, wouldn't be satisfied with anything anyway and if they were not kicking about dipping for ticks, they'd find something else to kick about."

Wonder who won?

We should live so long? A Veterans Administration study indicates that if a person keeps on working to the age of 100, he may live to be from 120 to 140 years old.

Secret of the deal, says a VA research psychologist, is for the person to convince himself that he is needed on this good earth beyond the allotted three-score and ten years!

Any takers?

This observation is reported to have been made by one of the very young stumping for the cause of ecology: "If water pollution isn't stopped, first thing you know, the Lord won't be the only one who can walk on water."

A & I honor students-Hondo and Sabinal

Nine area students were named to the Dean's List and Honor Roll at Texas A&I University for the spring semester, reports Dr. Mario A. Benitez, executive vice president and dean.

To make the Dean's List, a student must compile a grade point average of 3.65 for at least 15 hours of work. For the Honor roll, he must

compile a 3.5 average.

Helen Ruth Griffin of Devine, and Elizabeth Ann Aguilar of Natalia were chosen to the Dean's List.

On the Honor Roll were Karen Louise Mann, Janice Ann Martin, and Connie Lou Saathoff of Hondo; Clifford Lee Redus and Teddy Glenn Williams of Devine; and John S. Davie and Rogelio Flores of Sabinal.

Hondo kin receives highest scout award

Richard Haines, 16, of McAllen has been awarded Scouting's highest degree, the Eagle Scout Award.

Richard is a sophomore at McAllen High School and a member of McAllen Scout Troop 7. His parents are Mr. and Mrs. Thomas Haines and his grandparents are Mr. and Mrs. Ben Graff, Sr. of Hondo.

Richard has received the 50-mile afloat award, and is a Brotherhood member of the Order of the Arrow.

He has earned 25 merit badges and has served as patrol leader, senior patrol leader, and now as junior assistant Scoutmaster.

He attended the 1972 Philmont Trek held at the Philmont National Scout Ranch at Cimarron, New Mexico.

Richard's older brother, Ronald Haines, also is an Eagle Scout.

Art League meets

The Hondo Art League will meet Monday, June 11 at 7:30 p.m. at the City Hall Auditorium.

On hand will be Mrs. Faye Schnuriger, an artist from San Antonio, who will give a demonstration of her oil techniques. All interested persons are invited to attend.

Lankford, Chapman nuptials set

The engagement of Miss Phyllis Lankford of Lubbock and Stanton Chapman, Jr., of Midland is announced by her mother, Mrs. Ilene Lankford of San Angelo.

Mr. Chapman is the son of Mrs. Jonell Richard Chapman of Sabinal and S. W. Chapman of Boerne.

Miss Lankford is a 1965 graduate of San Angelo Central High School and a 1969 graduate of Hardin-Simmons University. She is presently teaching in Lubbock.

Her fiancé is a 1965 graduate of Sabinal High School and a 1970 graduate of Texas A&I

University. He is currently employed as an engineer for Continental Oil Company and will be enrolled as a graduate student at Texas Tech University this fall.

The couple will be married July 23 in Troy Creek Baptist Church in Laurel Fork, Virginia.

Phyllis Lankford

Engagement announced

Mr. and Mrs. Sterling Martin of Hondo announce the engagement of their daughter, Mary Ann, to Roy Cude, son of Mr. and Mrs. Frank Cude of Big Foot.

The bride-elect is a 1972 graduate of Hondo High School, and attended Texas A&I University.

The bridegroom-elect is a 1971 graduate of Devine High School, and also attended A&I. He is now employed in Houston.

A late August wedding is being planned.

Sandra Lynn Steubing

Engagement announced

Mr. and Mrs. Claude D. Steubing of Dunlay announce the engagement and approaching marriage of their daughter, Sandra Lynn, to Odie Glynn Rainey, son of Mr. and Mrs. Robert Rainey of Castroville.

The couple plans an August 17th wedding at Zion Lutheran Church in Castroville.

CYO elects new officers

New officers for the Christian Youth Organization (C.Y.O.) of Saint John's Church were elected at the May 23rd meeting as follows:

Theresa (Terry) Nira, president; Jean Howard, vice-president; Debbie Aelvoet, secretary; Joyce Howard, treasurer, and Maurice (Skipper) Blackshear, reporter.

Many interesting activities are being scheduled. Teenagers, regardless of religious denomination, are encouraged to join and attend a meeting on Thursday, June 14, at 7 p.m. at St. John's School. Refreshments will be served.

Now that school is out, graduation is over, the seniors are safely back home from that all-important trip and others are off to jobs visits and what may come, it's time to think of Summer and your wardrobe needs. We have **Sheer Dresses, Blouses, Pant Suits, Shorts and Swim Suits** to fill your needs.

Shop today at Mary-Renes.

You'll find the comfort of air-conditioning and a pleasant smile from our personnel to make your shopping time more pleasant. We are anxious to please you at

Summer recreation program to start

The Hondo Summer Recreation Program will begin on Monday, June 11, with registration behind and to the north side of the Hondo High School gym. Entrance to the playground will be on Avenue H-through the gates on the south end of the baseball field. The city-sponsored recreation program, designed to offer supervised play for children of Hondo who have completed at least one year of school, will operate for seven weeks through July 27.

Hours are from 8 to 11:30 a.m. each weekday.

Some of the activities to be included in this year's program will be Arts and Crafts, Badminton, Box Hockey, Checkers, Four Square, Horseshoes, Jump Rope, Softball, Table Tennis, Volleyball, and Washers.

Board members are George Brucks, Chairman; John McAnelly, Mrs. Fred Bader, Mrs. Glenn McWilliams and Mrs. Reno Stanga. Playground Director is James Bohls. Arts and Crafts Director is Mrs. James Bohls, with Dale Duncan and Nelda Morin as the two assistants.

Leinweber reunion

The ninth annual family reunion of August and Katie Stiegler Leinweber descendants will be held at the Hondo City Park on June 17, 1973.

A barbecue dinner will be served beginning at 1 p.m. and each family is asked to bring a dessert or a salad. Everything else will be furnished.

All descendants of this family are invited to come and are asked to spread the information to all members so they might attend.

Knock out midge.

SPRAY DIAZINON. Sorghum midge can be a yield killer. When it hits, it hits hard — often cuts yields in half or more. Be alert. Check your fields often. And if midge starts to build up, get Diazinon on fast by ground or aerial application. Timing of your spray and good coverage are critical. For 1.25 per acre knock out midge. See us today for Diazinon.

EASTERN SEED CO.
Hondo, Texas

ney, which saw Art DeCock take both the Championship Flight and Club Champion honors.

Runner-up in the Championship flight was C. Neice.

In the Ladies division, Club Champion was Evelyn Winkler, and Championship Flight winner was Ann Jones.

The tournament was played in 36 holes of stroke play. Art DeCock repeated as winner of Club Champion honors with a gross score of 153, 9 over par.

Other winners were: first flight, Paul Glowka, Tom Zuberbuehler runner-up; second flight, C. D. Sadler, H. H. Renken runner-up; third flight, Dr. Robert Eckert, J. Dugan runner-up; fourth flight, R. Campos, Ralph DeMontel runner-up.

First flight winner in the women's division was Ardye Vincent and Second Flight winner was Nancy Sanders.

Men's low-putt winner was Dr. R. W. Landers with 57 putts. Mildred Huesser took Ladies honors with a 64-putt total.

Longest drive on both days was by Bob Abbott.

Closest to the hole on tee-shot was Richard Torres on Saturday and Paul Glowka on Sunday.

Woman's longest drive Saturday was by Ann Jones and Sunday by Evelyn Winkler. Closest to the hole on the 9th green was Claire Westbrook on Saturday and Sue Ann Graff Sunday.

The annual Club Membership meeting was held before play began on Sunday.

Charlie Chapa of the Weather Radar Station was elected Club President to succeed 2-year President George Retherford.

After play on Sunday, trophies were awarded by Tournament Chairman Milton Renken, John Boon, and Col. (Ret.) Earl V. Riley.

Following presentation of trophies, everyone enjoyed a tasty chicken barbecue prepared by Frank Holden.

LADY GOLFERS TAKE HONORS

...Lady golfers who took top honors in the Earl V. Riley Memorial Golf Tournament held last weekend in Hondo are (l-r): Second

flight winner Mrs. Allen Sanders; Mrs. Evelyn Winkler, Medalist; and Mrs. Ralph Jones, who won the Championship Flight.

First few months important to fawn's survival

The quality of a fawn's environment during the first few months of life will affect it over the rest of its life span. The first few months of life comprise but one of the important periods of a deer's life.

Deer growth needs can be divided into different periods, says Jerry Turrentine, Soil Conservationist in Hondo.

The gestation period extends from mid-November until mid-June.

Mid-June through mid-October is the critical period for fawn survival. Most growth occurs from mid-June through October.

Deer have a short mending period from the time a fawn is weaned until the next pregnancy begins.

Antler development begins about mid-March and terminates around September. A deer herd has a continual forage need during the various periods which occur throughout the year.

If deer have an adequate choice of food plants, their yearly diet would consist of about 10% grass, 30% browse and 60% forbs or weeds. One way to increase the quality and quantity of forage to help deer meet their needs during the different periods is through a rotation deferred livestock grazing system.

In this system livestock are rotated among several pastures. This greatly benefits livestock forage

plants and allows deer the use of choice forage plants without livestock competition.

Some other methods of improving deer range are selective removal of low quality species and partial brush control in predetermined areas. These methods will open areas and increase the amount of forbs growth, which is the deer's primary choice food.

The Soil Conservation Service has technicians trained in improving deer range. If you desire information or assistance in improving deer range, contact your local Soil Conservation Office.

All-Star election

As the Hondo - D'Hanis Little League program enters its final month of preliminary play, new plans have already been announced for selection of All Stars.

These teams, picked from Senior League and Major Little League ranks, will represent the Hondo - D'Hanis - Sabinal area in playoffs with teams from other areas.

Hondo Little League Association President Albert Rowlett announced a

new method of selecting players to the All Star rosters.

The process is implemented in two steps. First, on or about June 11, four All Star rosters will be selected independently by the players, the coaches and managers, umpires and player agent R. V. Stanga, and the Board of Directors and Officers. These selections must be completed by June 15.

Then, the Board will review all four rosters and consolidate them into the final All Star roster. Selection of the final team will be completed by the week of June 18.

The new system was adopted, reports Rowlett, after studies of selection methods used in San Antonio, Pearsall, and other cities. This method, with some variations, is the one used most widely.

Previous systems used in Hondo have been sometimes difficult or confusing, but this new way will hopefully provide a more representative selection and a more streamlined one.

Lady Bowlers give prizes

The Tuesday Night Ladies Bowling League of Hondo met on Tuesday, May 22nd at Frontier Village in Bandera for awarding of the League trophies, prize fund and special awards and a delicious barbecue dinner. The bowlers from Bandera were hostess with Glenda Ritcheson in charge. It was a great success and enjoyed by all.

Perfect attendance awards were presented to

Emma Fell, Tencha Chapa and Carol Fitzpatrick. High Average trophy to Sophia Lopez; high series to Glenda Ritcheson, and high game to Sophia Pompa.

First Place team trophies and chevrons were won by Gloria's Beauty Shop team from Hondo, with members being Gloria Galardo, Carmen Sandoval, Glenda Ritcheson, Sofia Lopez and Bertha Chapa. Second Place trophies

were won by Heritage Park team of Devine, being Mickey Morris, Virginia Jenkins, Marilyn Dale and Sarah Russell.

New officers have been elected for the 1973-74 bowling season which will meet on September 4th for organization and first night of bowling. Elected to President was Sophia Pompa; vice-president - Carmen Sandoval; secretary - Mickey Morris; and reporter - Sarah Russell.

Nira cited by Marines

Marine Gunnery Sgt. Oswaldo V. Nira has been honored by the Marine Corps League's newly organized Pueblo chapter, and is recipient of the chapter's first outstanding service plaque.

He is recognized for service to Pueblo and the Marine Corps League. Sgt. Nira has been active in church and youth programs and was instrumental in the organization of the Marine Corps League

chapter to which he belongs.

A veteran of nearly 18 years in the Marine Corps, Sgt. Nira has been assigned to the local Marine Corps recruiting station since 1970.

A native of Hondo, he has served in Korea, Okinawa, and in two tours of duty in Vietnam.

His family, Mrs. O. V. Nira, Terry, John, and Richard are residents of Hondo.

Frank Danna Jr. finishes school

Wichita Falls, -- Air National Guard (ANG) Airman Frank R. Danna Jr., son of Mr. and Mrs. Frank R. Danna Sr. of Bigfoot, has graduated at Sheppard AFB, from the U.S. Air Force communications equipment repairman course conducted by the Air Training Command.

Airman Danna, who learned to install and repair teletypewriter and communications machines, is being assigned to the Buckley ANG Base in Colorado.

He is a 1972 graduate of Devine High School.

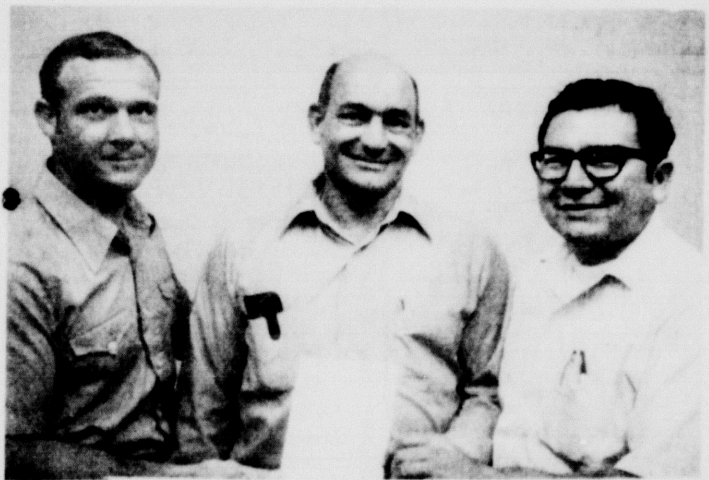

The airman's wife, Carmen, is the daughter of

Mr. and Mrs. Raymond Rivas of Devine.

Lutherans cancel Quihi service

The Bethlehem Lutheran Church of Quihi announces that they will not have Sunday School or Church Services on Sunday, June 10. Pastor Durkop will be out of town attending graduation services of his son.

On Thursday, June 14 at 7:30 p.m. the congregation will meet with Pastor Edmund Steinbring, Jr., Conference President, regarding calling another pastor.

BOY SCOUT

chairman Tony Mendoza, right presents awards to Larry Oefinger, left, and George Schmidt for a "job well done" in

the recent drive. He also thanked the two for a fine contribution from their company Medina Electric Cooperative, Inc.

It thundered about five inches last weekend early Friday morning, but the rains that resulted were less than gully-washers. Though it rained intermittently from 2 a.m. to 7 a.m. Friday, rainfalls seldom topped an inch, and mostly hovered around the .75 mark.

Doc Taylor gathered information from across the county regarding the shower, and here are his results:

Hondo, .75 inches; Rancho Chico, .80; Floyd Saathoff, .70; Al Hollmig, .80; H. Rieber, 1.50; Billy Rothe, .80, and Robt. Rothe, .80.

Also, George Koch registered, .50, as did the Jagge Ranch and Maurice Fohn. J. Lynch received 1.15, Walt Saathoff had .35, Chet. Saathoff had an inch, and the Bank Land had .30.
